

X Marks the Spot Promotion - Terms and Conditions

By submitting an entry to this promotion, you are deemed to have accepted these terms and conditions.

This promotion is being run by Telstra Corporation Limited (ABN 33 051 775 556) of 400 George Street Sydney ("we", "us" or "our").

When can you enter?

The promotion starts on 15th September 2020 at 10 am AEST and ends on 22nd September 2020 at 12 midday AEST ("**promotion period**").

Who can enter?

Entry is open to Australian residents other than the officers, employees or contractors of us or other companies associated with the promotion and their immediate families.

If you are under the age of 18, you cannot enter this promotion unless your parent or guardian consents to you entering this promotion and agrees that the prize pool is not unsuitable to you. By providing this consent, your parent or guardian agrees to these terms and conditions. If a winner is under 18, we reserve the right, in our absolute discretion, to award the relevant prize to the winner's parent or guardian, and to require the parent or guardian to execute such acknowledgment, indemnity and release as is reasonably required in the circumstances.

How do you enter?

There are ten virtual locations to be found ("**virtual locations**"). We will provide 1 clue on where to find each of the 10 virtual locations (10 clues in total) on the X Marks the Spot Telstra Exchange webpage at <https://tel.st/x> ("**promotion webpage**") at the start of the promotion. We may, in our sole discretion, publish additional clues on the promotion webpage during the promotion period.

To enter the promotion, you must during the promotion period:

- (a) visit our promotion webpage;
- (b) enter the URL of a webpage which you think is a virtual location along with the corresponding clue number you used to find that location on the promotion webpage;
- (c) complete all required fields including your contact details.

You may submit multiple entries. However, you are only eligible to win one prize. Once you have submitted a winning entry, all subsequent entries will be invalid. Entries are accepted at the time of receipt by us.

Incomplete, indecipherable or illegible entries will be deemed to be invalid. We may also disqualify entries and entrants that do not comply with these terms and conditions.

Your entry must not contain offensive or defamatory comments, breach any law or infringe any third party rights, including intellectual property rights. You grant us a royalty free, perpetual and irrevocable licence to use, modify, adapt and publish your entry. In particular, we may use your entry for promotional and marketing purposes.

Judging of entries

We will review and judge whether entries correctly identify a virtual location and correctly identify a clue that correspond to that virtual location throughout the promotion period.

The first entrant to correctly identify each of the virtual locations and a clue that corresponds to each of the virtual locations will win a prize. Note, this is a game of skill only and chance plays no part in determining the winners. Once we judge that an entry correctly identifies a virtual location (along with the clue), we will reveal that location on the promotion webpage along with the winner's first name and suburb of residence.

The judge's decision is final and binding and no correspondence will be entered into.
